Electronic Systems Promotes Kimberly Drumm to Commercial Sales Manager

Virginia Beach, Virginia – June 2, 2010 – Electronic Systems, Inc. (ESI) today announced the promotion of Kimberly Drumm to Commercial Sales Manager. In her new role, Kimberly will lead a team of six commercial sales representatives to grow business sales revenue and drive market share throughout Hampton Roads.

Prior to being promoted, Kimberly spent four years as a major account representative and two years as a commercial account representative with Electronic Systems. Each year, she was consistently ranked among the top sales representatives in the company. Before joining ESI, her previous experience included time spent working in the human services field.

Kimberly graduated from James Madison University with a Bachelor of Science in psychology. She will be based at the company's Virginia Beach location, and will report to Jeff Jenney, Director of Sales.
