

FOR IMMEDIATE RELEASE

## **Electronic Systems Announces Grand Opening in Elizabeth City, North Carolina**

Virginia Beach, Virginia – June 8, 2010 - Electronic Systems, Inc. (ESI) will celebrate the grand opening of its new office in Elizabeth City, North Carolina, on June 17, 2010. ESI will offer its award-winning suite of office technology solutions to local businesses, academic institutions, and public sector entities throughout northeastern North Carolina. ESI's offerings include information technology solutions, digital multifunction copiers, mailing systems, supplies, and service.

"We are pleased to be able to expand our business into such an exciting new market, and we are glad to have the support of the Elizabeth City Area Chamber of Commerce," said Anthony Lane, President of ESI's Print Technology Group and Print Service and Supply Group. "ESI looks forward to working with local governments, schools, and businesses to provide the latest office technology services to reduce costs and promote environmental responsibility."

ESI was recently selected to be the copier services vendor for Dare County, North Carolina. This contract provides the County with multifunction digital devices, including copiers, scanners, printers, and fax machines - as well as workflow management, managed print services, and copy/print accounting. As a collaborative vehicle, this contract also encompasses ESI's entire line of print technology products and services, and makes them available to all city governments, state agencies, and school systems in the area.

"Our commitment to our customers remains the same," said Kurt Schmelz, President of ESI's Information Solutions Group and Mailing Group. "Whether we are in our headquarters office or our newest location, we will work diligently to meet each customer's needs to achieve 100% customer satisfaction."

The grand opening and ribbon cutting celebration will take place from 4:00 p.m. – 7:00 p.m. at 904 W. Ehringhaus Street, Suite 9, Elizabeth City, North Carolina, on Thursday, June 17, 2010. For more information, please call (252) 338-3810.
