Electronic Systems Appoints Ron Jackson as Richmond Sales Manager

Richmond, Virginia—July 27, 2009—Electronic Systems, Inc. (ESI) announced today that Ron Jackson has joined the company as Sales Manager for the Print Technology Group in their Richmond office. In this role, Ron will be responsible for the leadership, growth, and direction of sales activity in the Richmond market.

Ron brings a wealth of experience to the position, having served in sales management and major account roles for the past 14 years with IKON Office Solutions. There he focused on sales and growing business with Fortune 500 accounts. Prior to joining IKON, Ron worked in the computer training business and also worked for Xerox as a major account manager.

Ron will be based in the company's Richmond, Virginia office, and will report to Anthony Lane, President of Digital Copier and Printer Solutions.
